

# APOSTLE AVA BETHEL

Ava Bethel's life is a testament to the supernatural power of God. Having overcome sexual and physical abuse, rejection, disappointment, sickness, and unfortunate life circumstances, Ava exercises an unrelenting determination to live life in response to the power of God and not the challenges of life. Her continued submission to God's process has transformed her into an envoy mandated to raise and empower the legacy carrier.

As an Apostle, Intercessor, Leader, Teacher, Psalmist and Mentor, she is committed to using every gift she has to infuse every space she enters with color, salt, and wisdom. Though musicality and creativity serve as Ava's base and foundational blocks of ministry, God has expanded her reach through preaching, teaching, training, and intercession. In various local assemblies, she has served and helped to reframe structures in several capacities including Minister of Music, Visual Arts Director, Youth Pastor, Christian Education Director, Women's Ministry Director, and Lead Intercessor.

Now as an Apostle, Mentor and Spiritual Mother in the faith, she has shown herself to be deeply devoted to the continuation of legacy work and pioneering a path for this generation and the next.
